

Bible Questions and Answers is written in a clear, concise style. It is easily understood yet it does not sacrifice the richness of God's Word. Each question and answer is supported by one or more scripture references. Doctrines covered include creation and man's fall, salvation, the law, the sacraments, prayer, death and eternity.

'This is God-centred, Christ-honouring, life-transforming, character-building.'

Sinclair B. Ferguson

'The doctrines of Scripture in contemporary language that is easy to memorize. This book is an effective, foundational tool for godly parents to use in catechizing their children.'

Joel Beeke

Carine Mackenzie is an experienced children's writer. She recognises the need to retell Bible stories accurately as well as introduce children to their Lord and Savior. She is based in Scotland but her books are translated into many different languages throughout the world.
